

Roadwater Community Shop CBS

Can you help us to buy our shop?

New Share Offer Open

- We are trying to raise a **minimum** target of £110,000 from new shares to help us reach the total we need to buy the freehold on our village shop and the flat above
- We'd like all local people to join in and be members of our community benefit society
- Anyone over 16 can be a member. The minimum shareholding is 25 shares of £1 each
- 'The more, the merrier.' Please share our news with anyone over 16 connected with the local area and encourage them to buy shares
- There is no maximum number of shares you can apply for
- All members enjoy full voting rights at all members' meetings
- The money raised from shares is essential to show that the whole community supports this enterprise. We will apply for grants to add to our shareholder funds
- 4 weeks to meet our minimum target. The share offer is due to close on June 14th
- 89/88 years ago the Reckitt family and Captain Bridges gifted Roadwater with the village hall and the recreation ground respectively. This year we are looking to help ourselves by taking community ownership of another essential asset – the shop. Shares may attract an interest payment and taxpayers may get a 30% rebate on their investment
- Application forms available in the shop and online: links from the Village Trust website www.roadwater.org

Please consider buying the new shares. Become a member. Help us to buy our Community Shop.

Shareholder enquiries to Mary Coles at Orchard Mead, Roadwater, Somerset TA23 0RB
or email mary.vanderhook@gmail.com

*...and please continue to shop with us;
our success depends on our customers!*

Important dates:

- **Applications for grants Round 1 opens Wed 7th June**
- **Community share offer due to close – Wed 14th June.**
(The management committee have the right to extend the share offer period)
